## **Save The World**

Letting Eleven go, again was going to be difficult. Mike had just gotten her back and didn't want to let her go.

" El... I- I can't lose you again." A lump building in his throat and tears in his eyes as if on cue.

" Mike, you won't lose me." Eleven looked at him devastated, tears also in her eyes not knowing the outcome of the situation.

" Promise me." He said carefully.

"Oh Mike, I love you just to much to give up... I promise." He smiled letting a tear escape his wide eyes.

Eleven moved closer to him. To the one she loved just close enough to kiss him when all of the sudden, " El! Come on we got to go." Hopper exclaimed from afar.

Eleven gave Mike a sweet kiss on his cheek.

" You can do it El, I believe in you." Mike said as she walked away.

Looking back once she smiled at him. Mike smiled to...knowing how much he missed her smile. Mike turned towards Dustin, Lucas, and Max who looked scared to.

" You guys better thank her when she gets back...."

They nodded in approval.

" Because she is about to save our asses." They all looked over to see the one and only Steve Harrington laughing.
